

Manchester Public Library (MPL) is pleased to offer its cardholders access to lynda.com's library of instructional videos. As an MPL library cardholder you can access lynda.com content from any computer or device with an Internet connection.

### **What is lynda.com?**

lynda.com is an online learning site that hosts a constantly growing library of over 3,000 courses that include over 130,000 videos. Courses cover a variety of topics (including business, design, web development and multimedia skills) and software (Microsoft Office, Adobe Creative Suite and open source applications) that can help you pursue personal and professional goals. Expert instructors deliver these courses and feature searchable transcripts that make it easy to find quick answers to questions. They also feature Certificates of Completion that can be uploaded to a LinkedIn profile.

Please note that you can only access course content through the Manchester Public Library's lynda.com login page

<https://www.lynda.com/portal/patron?org=library.townofmanchester.org>

and not by directly visiting the lynda.com site.

**We recommend you bookmark the page for ease of use for future visits.**

Please also note that while the MPL's lynda.com accounts are accessible through mobile devices, they are not accessible through lynda.com apps.

**Use your mobile device's browser.**

First-time users must create a personal profile.

This account can help you manage your course history, playlists, bookmarks, and Certificates of Completion.

Subsequent visits will require you to log-in with your library card barcode and the password you chose in your profile.
